

Workplace Assessor Training – US 4098

Primary ITO requires all workplace assessors to hold US 4098. This gives you the confidence to assess your learner's work consistently to meet a professional industry standard.

4098 Assessor Workshop

- One day class day
- Cost of \$300 including GST
- Unit standard 4098 registered on your NZQA record of achievement

4098 Topics covered

- Preparing for an assessment
- Conducting an assessment
- Completing assessment administration
- Reviewing assessment practice
- Primary ITO assessment process and policies

4098 requirements to complete

- Approved as a workplace assessor – for approval you will need to hold an industry qualification or relevant sector experience
- Completed 4098 assessment
- Complete 2 on-job assessments for your learner to be verified by a training advisor or another assessor
