

Let's 
Grow!

Job description

Sports Turf

INDUSTRY OVERVIEW:

With thousands of sports grounds all over the country this is an industry that needs people employed nationally to create and maintain high quality playing surfaces.

JOB OVERVIEW:

A strong sporting culture means there are plenty of opportunities for dedicated grounds people at sports fields, golf courses, public areas, schools and racecourses. This is so much more than mowing, on the ground you'll learn everything from sowing, irrigation, fertilising and construction to preparing the surface for play.

A Sports Turf role is an excellent opportunity to be employed in a position that is varied and rewarding, working and training with an existing team of skilled people that will give you lots of development opportunities to grow into.

SKILLS & EXPERIENCE:

- Be a team player with excellent communication skills.
- Dedication to quality and willingness to learn.
- Skills with tools and machinery an advantage.
- Full Drivers Licence
- Able / eligible to work in NZ.
- Growsafe certificate desirable.
