

Let's
Grow!

Job description

Amenity

INDUSTRY OVERVIEW:

Amenity horticulture is all about growing, establishing and managing gardens and public spaces – even national parks! – to create vibrant spaces we can all enjoy.

JOB OVERVIEW:

If you love being outdoors, with a passion for garden maintenance and plant knowledge, you couldn't find a more fulfilling career. Applicants without experience would start as a garden assistant, working in a team assisting in the creation and maintenance of beautiful spaces.

A role in Amenity horticulture is an excellent opportunity to be employed in a position that is varied, creative and rewarding, working and training in a sector that will give you lots of development opportunities to grow into.

SKILLS & EXPERIENCE:

- Be physically fit and enjoy the satisfaction of a hard day's work.
- A team player with excellent communication skills.
- Skills with tools and machinery an advantage.
- Reliable.
- Full driver's licence
- Eager to learn and train while you work.
- Able / eligible to work in NZ.
- Growsafe certificate desirable.
