**Good Natured Garden Services Ltd**

### **Key details:**

Top rates paid to the right people

**Location:** Wellington

**Job Type:** Full Time

**Duration:** Permanent

### **Position Description:**

We are currently looking for several people to fill multiple positions including a Leading hand/ Manager and General labourer.

Ideally you should be competent in horticultural practices with level 4 or have adequate experience in plant identification and working with clients. However we are willing to train the right person.

You must have what it takes to complete jobs on time with no supervision and a can do attitude.

For the Leading Hand and Managers positions, you must be able to work in all weathers and lead staff competently.

We can offer you a great and varied role with lots of perks to the right person. If you have the desire we will look after you!

Remuneration negotiable based on experience.
