About us

At Delegat Group we are building a leading global Super Premium wine company. We have grown more than twentyfold since 2002, and we aspire to grow even further in the future. We have state-of-the-art wineries and world-class vineyards in the prime grape growing regions of New Zealand and Australia, and we focus exclusively on making the world's most sought-after Super Premium wines and brands including Oyster Bay and Barossa Valley Estate. However, we believe deeply that it is our people that bring our plans to life, turn our goals into reality, and truly make the difference.
